

Message from the Sheriff

Auto Burglary is a "Crime of Opportunity". Thieves can easily enter a vehicle, often sight unseen. Increasingly, thieves are using personal and financial information stolen from vehicles to commit identity theft.

An average of 5,300 Auto Burglaries occur each year.* The Jacksonville Sheriff's Office is dedicated to providing crime prevention strategies for all of our citizens.

By following the preventative measures outlined in this brochure, you are taking steps to protect your automobile, your personal possessions and your identity.

Sincerely,

John H. Rutherford, Sheriff
Duval County, FL
